If you are unable to provide the flowers on your week, please make arrangements to change with someone else, thank you.

We are very grateful to the ladies who take the responsibility for providing and delivering flowers each Sunday. After the service, these flowers are gifted each week to people in our congregation or community who are ill or have recently been bereaved. Sometimes the flowers are given to people to mark special anniversaries, birthdays or just to cheer someone up. This is a wonderful ministry reminding people that they are not forgotten and that we, their church family, are thinking and praying for them.
