Something to think about ...

"Prayer is crucial to evangelism. Only God can change the heart of someone who is in rebellion against Him. No matter how logical our arguments or how fervent our appeals, our words will accomplish nothing unless God's Spirit prepares the way."

BILLY GRAHAM

"Fear not because your prayer is stammering, your words feeble, and your language poor. Jesus can understand you."

JC RYLE

"To cover something in believing prayer is to take the time and the energy and the effort to stay with God until you can leave that place of prayer knowing that it is settled. Jesus never went to the cross until in Gethsemane he had first of all covered the cross in believing prayer. When he walked out of Gethsemane, the victory was already won because Jesus had covered that next step in believing prayer."

RON DUNN

"Never undertake more Christian work than can be covered in believing prayer..."

ALAN REDPATH

Woodlands

... If my people, who are called by My Name, humble themselves, and pray and seek (crave, require as a necessity) My face and turn from their wicked ways, then I will hear [them] from heaven, and forgive their sin and heal their land.

2 CHRONICLES 7:14

...Therefore let us [with privilege] approach the throne of grace [that is, the throne of God's gracious favour] with confidence and without fear, so that we may receive mercy [for our failures] and find [His amazing] grace to help in time of need [an appropriate blessing, coming just at the right moment].

HEBREWS 4:16

In the same way the Spirit (comes to us and) helps is in our weakness. We do not know what prayer to offer or how to offer it as we should, but the Spirit Himself (knows our need and at the right time) intercedes on our behalf with sighs and groanings too deep for words.
